PROVEN ELECTRIC POWER AND PERFORMANCE

PROVEN ELECTRIC POWER AND PERFORMANCE

Designed with ease of operation in mind, the ICEBEAR Electric's simplified operational controls are conveniently located within reach, allowing the operator to make precise blade adjustments during the cut. The ICEBEAR Electric with its stainless steel construction has a 3.3 m³ snow bin capacity and an open bin height of only 2.64 m, ideal in low ceiling applications, requiring as little as 0.60 m front opening clearance. ICEBEAR Electric Features:

BASIC EQUIPMENT

- AC Drive Motors
- Stainless Steel Construction
- 6.35 cm Offset Conditioner
- Full Instrumentation
- Lighting Package
- Snow Bin Wash
- Tire Wash
